

ORTHODOX SATANISM

PROOF: SATANISM WITHOUT FASCISM AND RACISM,
DOES NOT EXIST!

by “Satanic Orthodoxy” (a Greek website article
translated –with Google help- into English language)

- When one has devoted the following obligations:
 - To consider himself as God, as the center of the universe and staff to enjoy the material pleasures.
 - To respect the image and the archetypal symbols of Satan.
 - To try to become similar to Satan, so in essence embodies it.
 - To honor, to praise and worship Satan through ceremonies, but not to offer sacrifices and not kneel him.
 - To keep the Laws of Satan.
- (from the Dedication of the Soul to Satan, Author:
Cagliostro Merovingian Leonard)

Commonplace today (and only) our time, an attempt is made to "adapt" all Orthodox religion (including the Satanism) in the presence of centuries to date by changing the contents depending on what usually convenient fashion of the time and financial or religious (pan-religion) interests of political elites in our Western world. But religions having a clear theological framework in their writings that established the existence centuries or even millennia, can not be changed like shirts depending on what is fashionable today or lifestyle of the world. Rather, the opposite should be the case that

people can choose what religion by expressing his beliefs, not religion chooses to adapt to its own, because it is made a deity does not exist (image or thought form) to serves individual interests (economic, ideological, political, etc.) of the faithful, even though they may be called by the same religion that presents! For example, if you say that it is " Christian " or " Satanist ", but gives different characteristics to the divinity (Christ or Satan) that says follow these Bible through which he learned first the name and specific features, then turned directly against it when we do things instead of this! To what then shall be done that, should the believer be addressed exclusively in religious texts concerning it and not broker various groups or organizations that say they want according to their own but interests (economic, ideological, political, personal etc.). Exactly the same tactics (what they say religious texts) and follow this website for this and called Orthodox. Therefore, if you hear, for example, someone telling you what work is fascism and racism today within Satanism, you should know that he does not suits to Satanism if he is " Satanist " or an enemy who does not accommodated in the presence of Satanism rather it should change Satanism as a shirt that said or created tens' Satanism " depending on what express I of each. In this case, in the example, then we talk consumables shirts with expiration dates of the fashion (what should be believed) and not natural for a religion.

After this necessary introduction done to get things in place, we also understand that we can not apply to existing religions what they say Masons that " ... Modern man must think on a global scale, we need to see beyond

racial, philosophical and religious barriers that often separate him from the rest. Dogmatism in all its forms only negative might be in our age ... " (from the Masonic website 'Masonic Events'), because in this case we are talking about made religion (pan-religion) as a shirt (which fit all media) when they tell us that it " must " to think modern man based on their own interests rather panreligion based on racial, philosophical and religious barriers that often separate him from the others for millennia! And why should not they change their Masonic views, we say, but to embrace their own modern man? Because they ask? And why should they care what they ask and not what we ask? Nothing will therefore not " must " be religious because they ask some today, except those requested by the religion itself that wants someone to follow, otherwise let's change religion or we choose another or let us create a own different, but without using the name of an already existing (eg satanism) or the divinity (ie Satan) in order to destroy or distort this existing because " must " be otherwise!

In the case of specific Satanism on and this site by reading one different religious texts concerning Satan understands then that the religion (Satanism) can not exist without fascism (totalitarian or authoritarian national government) and without racism (tribalism) as revealed in the articles of this website. Therefore, it is treated and handled enemy anybody wants to apply different things, even if followed by devotional Satan, because there is another and organizations (which is most notably in America) as the 'Church of Satan' (Laveyans inspiration handles) not worship (not consider him self-conscious deity or entity as first reported in the Bible, but

as a symbol or power of their personal opinions). So, the first religious event followed different things than they wanted and did Satan as witnessed various religious texts, while in the second case atheistic talk about exploitation and abuse of the name 'Satanism' from atheists. In both these cases, however, because an attempt to defraud lure Satanists on their side (especially those who wish to become) away ie actual or Orthodox (based on religious texts) Satanism, clearly and should be treated enemy of us (if we want to continue to exist and future), even through rival religions or ideological groups or organizations also face the enemy for their own reasons, without of course saying that there are Satanists (No. text our job done).

thus indicating some religious examples of our articles explaining in more detail the whole thing would initially say that in the case of fascism (or outright authoritarian national government), we have only to look back and follows only religious texts:

- ACTS Z.: 14 And they all fell to the ground, I heard a voice saying to me in Hebrew: "Saul, Saul, why persecutest? It is hard for thee to kick goad ". 15 Then I said: "Who are you, Lord?" And the Lord said: "I am Jesus, whom you are persecuting. 16 Arise, though, and wait on your feet. Because for this purpose I was visible to you, to to elect as a servant and a witness both of things you have seen and the things that will make you see about me, 17 releasing at from this people and from the nations in which I sending you, 18 to open their eyes, to the shifts from darkness to light and from Satan's power to God to receive forgiveness of sins and

inheritance among those who are sanctified by faith that point to me ' (en National and Temporal of the Religion of Satanists)

Here clearly says that Christ releases from the nations that were under the power of Satan. Now, if Satan was one anti-authoritarian or nation destroyer as to his intentions as the current globalization and other internationalist ideologies (Anarchy, Left, Liberalism, etc.) who wish this (scrapping nations), not only will the ruled (contrary will destroy them), but will not be offered this power in Christ if he worshiped (to bow down to Satan):

- Jesus Christ referred to Satan as the "prince of this world", in which he generally obeys humanity by giving attention to the promptings of contempt of God's requirements. (Jn. 14: 30; Eph. 2: 2) The Bible also calls him "the god of this system of things," who is honored with religious acts of people who support this system. The-2 Cor. 4: 4; 1 Cor. 10:20

When the devil tried to make Jesus into temptation, "the staged and showed him all the kingdoms of the inhabited earth in an instant of time; and the Devil said:" I will give you all this authority and their glory, because it has been delivered to me, and to whomever I wish I give. If you, then, do an act of worship before me, you will all be yours. ' " (Lk. 4: 5-7) Revelation 13: 1, 2 reveals that Satan gives 'power, throne and great authority' to the global political system of government. Subsections Daniel 10:13, 20 show that Satan had set demonic rulers the main kingdoms of the earth. Ephesians 6:12 refers to these as the "governments, powers, the rulers of this

darkness, the wicked spirit forces in the heavenly places."

No wonder that verse 1 John 5:19 says: "The whole world lies in the power of the evil one."

What was now the constitution of these kingdoms with the demonic lords set by Satan to them? To recall through history:

" The existence of many gods does not necessarily imply democracy nor is it obvious, as they see the Neopagans that promotes democracy. Not only because every city persecuting anyone who does not worship the gods of OWN, but for other reasons ...

The promotion of democracy from polytheism would happen only if all the gods were completely equal to each other. This equivalence, however, does not occur in no mythology. There are many gods and equal to each other. Everywhere, in all Panthea, there are superior and inferior gods, stronger and weaker. The same happens in the ancient Greek pantheon. The fact of the existence of the twelve gods, does not mean that the twelve gods decide together equally, having one vote! Jupiter, being not only stronger than anyone god, but a total of all the gods, impose by force its will ...

Sometimes democracy, then, does not mean the ancient Greek polytheism. Weak gods subdued the powerful Zeus, having no illusion of democracy. Not invoke no equality and no democracy. Not create democracy polytheism. Only Christianity, which emphasized the ontological equality of people before God, and the triune consubstantial (= the eminently sociable equal, dld democracy) Godhead enables the actual, without

invocation of force / violence, democracy. As is the neopagan unfounded claim that polytheism gave citizens the right to reject a god and choose someone else from the rest, equally unfounded is the New Age-neopaganist's assertion that democracy was the brainchild of polytheism.

After polytheism leads to democracy and monotheism to absolutism, then:

Why the polytheistic Sparta was not democratic?

-Why the polytheistic Macedonia was not democratic?

-Why the polytheistic Continent was not democratic?

-Why the polytheistic Thessaly was oligarchic, not democratic?

-Why the polytheistic Corinth was not democratic?

-Why the polytheistic Crete was not democratic?

-Why the polytheistic Mycenaean Greece was not democratic?

-Why the polytheistic Roman empire was not democratic?

-Why are polytheists Frangos (before Christianized) had no democracy?

-Why are polytheists Bulgarians (before Christianized) had no democracy?

Why the Russians polytheists (before Christianized) had no democracy?

-Why the polytheistic Persia was not democratic?

-Why the polytheistic Egypt was not democratic?

-Why the polytheistic Assyria was not democratic?

-Why are polytheists Maya had no democracy?

Why the Aztecs were polytheists not a democracy?

Why the African animist had not a democracy?

-Why are polytheists Indians were not a democracy?

Why the Japanese were not polytheists (until 1945)

democracy?

-And why even in "democratic" Athens of the Classical era, the majority of citizens were SLAVES? And yet he imposed Athenian hegemony of democracy with weapons in other cities? Where was the democratic? If antiquity explain the above examples on non-religious grounds (based on economic or other factors), then we can assume that the identification monotheism and absolutism they do is pure lie. The polytheism is not necessary nor sufficient condition for the emergence of democracy, then. Rather, it is the incarnation of the jungle laws of society "

(from the 'Orthodox Dogmatic Research Group')

The above text through our literature course extends to all other polytheistic (pagan) religions who also currently promoting inside and from Neopaganism (beyond Satanism) antifascist ideologies that do not naturally have nothing whatsoever to do with polytheism nor with Satanism. Nowadays now until the Last Days (End of our world), continue to dominate the fascist states of Satan. In chapter 12 of the Revelation of the beasts and Satan, we read for example that:

11 Then I saw another beast coming up out of the earth, and he had two horns like a lamb, but spoke like a dragon.

12 And all the power of the first beast to act before him.

15 And he was given to give spirit to the image of the beast, so to speak, and the image of the beast and those that do not worship the image of the beast to be killed.

No democracy and freedom of choice not we see those who do not worship the image of the beast, situation that ends contrary to those advocated by every anarchist, democrat and anti-fascist widely to represent us 'Satanists' today asking crushed or ousted fascism from Satanism. Even if it makes a small exception in this case as a lover of Satan, then again they have to reject their anti-fascist beliefs about if will follow upon the action of Satan:

- A NEW FORCE IN THE GLOBAL SCENE.

The prophet Daniel, interpreting the dream of the huge statue which Nebuchadnezzar saw, spoke about a series of "kingdoms" that would appear on the world stage. The first of these kingdoms was Babylonian, under the leadership of the same Nebuchadnezzar (Daniel 2: 28-38). They would follow other three kingdoms (ed.39-40). Comparing history with other Bible prophecies, we can understand that these four kingdoms were, in order, the Babylonian, the Medo-Persian, Greek, and Roman.

Speaking of the fourth and final kingdom, the Roman Empire, Daniel said it would be "strong like iron, like iron cut and be off everything, even as iron that crushes everything so you cut and crush" (vs. .40). Rome indeed proved to be the stronger and lasted much longer than those preceding, engulfing their remnants in a reign that lasted centuries.

However, Daniel revealed some fascinating prophetic details about this kingdom. He said the legs and feet of the statue in Nebuchadnezzar's dream represented this kingdom, which later appeared to be the Roman Empire. The statue had feet and toes that were "in part clay and part of iron," which showed that "the strength of iron will be in the" but also that "the kingdom shall be divided" and would be "as strong and partly brittle." Also, "such as iron is not mixed with clay," the components of this kingdom will not hold firmly together for long (ed.41-43).

Then, Daniel says, "in the days of those kings the God of heaven will set up a kingdom that will never be destroyed, and this kingdom will not be passed on to any other people. It will break in pieces and help all these kingdoms, and it will reside forever" (ed.44).

It is a clear prophecy about God's Kingdom, which will become a reality on earth by Jesus at His return. Only then "the kingdom of the world became our Lord and of His Christ, and shall reign forever and ever" (Apok.11: 15).

Is there anything wrong with this sequence of events? Surely God's Kingdom is not established the days of the ancient Roman Empire. Jesus is not enthroned as the supreme ruler of the world (A Ioan.5: 19). Did Daniel made a mistake about the chronology of these events?

- UNDERSTANDING THE PROPHECY OF DANIEL

The answer will be found when we examine other prophecies that speak about this fourth kingdom. We see that the Roman Empire, not only not forgotten and did not disappear, but is destined to rise again and again! The apostle John, approaching the end of his life, had an amazing vision of Jesus Christ (Apok.1: 1) what would happen to the rest of human history. John, like Daniel, inspired by God to write about the events leading to the second coming of Jesus. Revelation in the 19th chapter describes the glorious return of the land which would result in the overthrow and destruction "of the earth kingdoms and their armies," a great religious pseudo-prophet, and something called "the beast" (Apok.19: 19-20).

This "beast" corresponds to the fourth kingdom, the Roman Empire, symbolically saw Nebuchadnezzar and Daniel interpreted. And the beast that John saw and the kingdom of iron and clay, as Daniel interpreted, there will also be destroyed by Jesus Christ at His coming. This prophecy indicates that the power of the beast and the Roman Empire are one and the same.

- an empire that will rise AGAIN

The 17th chapter of Revelation gives us additional details to help us understand the nature of this empire and how it could exist in ancient times and during the time of Jesus' return. This chapter describes a "beast red ... that had seven heads and ten horns" (ed.3). Indicated that there was at some point in time, after that there will not, and yet ultimately there again (ed.8,11). This gives us the key to understand these prophecies, which often seem confusing. The Roman Empire was in the past, there now existed for centuries, but there will be again.

Verse 10 tells us that the seven heads of the beast represent "seven kings" who ruled for a long time. A study of European history shows that after the dissolution of the Roman Empire in 476 AD, several emperors tried, starting in 554 AD by Justinian, with varying success, to revive the grandeur and power of that empire. These prophecies of Daniel and Revelation indicate that the Empire will resurrect again.

The image of the statue, which was interpreted from Daniel had feet and toes of iron mixed with clay. In Revelation (Chapter 17) we see that these 10 toes correspond to the 10 horns of the beast that John saw. "And the ten horns that you saw are ten kings who have received no kingdom, but receive authority for one hour as kings with the beast. They have an opinion, and will deliver to the beast power and their own power. They will fight with the Lamb, and the Lamb will overcome them, because he is Lord of lords and King of kings "(Apok.17: 12-14).

Now the picture becomes clearer. Shortly before the return of Christ all 10 "kings" (word meaning in general "leaders", not necessarily "kings") will unite in a political, economic and military alliance. Some are stronger than others, such as iron is stronger than clay. Because they represent various nationalities and cultures will be divided on other issues, apart from their alliance with the beast. The strength and power from their confederation will last only a short time before they make the fatal mistake to resist the Messiah at His return, so it will be broken and destroyed.

It is possible that a group of 10 leaders, through alliances or other agreements, to create a compound that will fulfill these eschatological events. The prophecy of

Daniel shows that these leaders will preserve their cultures and languages, and will not form a uniform federation like the United States, but 10 individual political and cultural entities united politically and militarily for a common purpose .

- Ezekiel Ch. 38-39

The Magog, Meshech, Tubal, and Gomer were all sons of Japheth (son of Noah). They gave their names to the people who lived in the Black Sea / Caucasus, the northern limit of the known world. Ezekiel depicts an invasion of these barbarian hordes from the north, which leads to the unknown Gog, perhaps to personalize the cosmic forces of evil. In alliance with the armies of distant and nearby countries (Iran, Sudan and North Africa, will try to fight the people of the Lord. And then God will reveal His power in front of everyone, addressing himself all the evil forces, and destroying them once and for all. the "Gog" is responsible for the project, but it is the hand of the Lord, always check the status.

Chapter 39 repeats and develops the 38. it's so large army of Gog, that his weapons provide fuel supplies in Israel for seven x permanently. And the carnage is so terrible, they need seven months to cleanse the country. The judgment of God is something terrible, and Ezekiel attributes with images of horror. The fact that these funds immediately preceding the vision of Ezekiel , the new temple, in which God dwells among his people, explains the choice of John, who puts Gog and Magog to represent all those who are opposed to God in the great last battle, that motivated by Satan at the end of times

- REVELATION JOHN

CHAPTER 20

1 And I saw an angel coming down from heaven, having the key of the abyss and a great chain in his hand.

2 And he took the dragon, the serpent ancient, who is the Devil and Satan, and bound him a thousand years,

3 and threw him into the abyss and shut, and sealed it over him, not any more deceive the nations until they run out of a thousand years . After that he must be resolved for some time.

7 And when you run out of a thousand years, will solve Satan from his prison

8 and will come out to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them to the war, whose number them is like the sand of the sea.

9 Then went up across the width of the earth and circled the barracks of the saints and the beloved city. and then fire came down from heaven and devour them.

- REVELATION JOHN

CHAPTER 21

The new heaven and the new earth

1 And I saw a new heaven and new earth. Because the first heaven and the first earth were gone, and the sea is no more.

2 And the city, the holy Jerusalem new I saw coming down out of heaven from God, prepared as a bride adorned for her husband.

3 And I heard a great voice from the throne saying, "Now the dwelling of God is with men, and camped with them, and they shall be His people, and God himself will be with them their own God.

4 And he will wipe every tear from their eyes, and death will not exist any more, nor sorrow, nor crying, nor pain will not be there anymore. because the first left. "

So, as we understand from all the above documents, there will be no World Globalization with state and no New Age world peace and brotherhood with equality etc. by Satan in this earth, as there was also not and in the past. Therefore, he should be crushed and removed with kicks from Satanism all these antifascists as we understand one whose views are in direct conflict with those that did would make Satan.

Finally, as regards the issue of racism, ie meaning the tribalism (different races and unequal between them) and not the racial hatred of a race against another called racialism in Genesis of the Old Testament we learn of the existence of two first created human beings (Adam and Eve) with two children where one kills the other (Cain Abel) without indicating the existence of other people as occurs after the Flood with Noah etc. where people complete genealogies given us. This gap (human existence before the Flood) is solved some other religious texts like the Apocryphal Gospel of John and like those of Christian guilds of the Cathars and Bogomils testify creating people from Satan the downside (outside Paradise) world we are living today who were made likeness own and throughout God's image (putting the image of God) in the case of Occult Gospel of John and likewise angels of God within human bodies made by Satan (lime instead of clay as God) in the

case of the teachings of the Cathars and Bogomils we published. From these and yet only theological events racism can not be established because in both cases it can claim that someone from the same blood come from all without racial discrimination and inequality, as witnessed by the New Testament for the first created humans:

- Barnabas, so as disciple and collaborator of Paul, known as the 'Cypriot interim general' (Acts. 4.36), he is not Paul disclaims not its origin (Gal. 1.13 e.) After the god of Christians, the "father" of Jesus (I John. 2, 23), "He created from a blood every nation people dwelling on any face of the earth, ... designate Taq demarcation of these residence" (Act. 17, 25 e.). With this unity of the human race is declared because of the common ALL origin ("on a" blood or human) and therefore unfounded and anti-Christian of tribalism. Formed historical -and into the dynamics of paradise falling- "nationalities" and any differences between them - discrimination does not come from the one creator God, but from sin. This expresses as orthodox experience the "butt" of Pentecost: "Now when descended Tash confused language shares nations" the Almighty when he • fire Tash shares language, he called all men into unity ... ".Juxtaposed therein the fact of Babel (Gen. Chap. 11) and Pentecost (Acts. 2, 1e.). In the spirit of Pentecost (Act. 2.1 e.) The Church lives, in the original expression, as Orthodox " (from: Nation - Nationalism and Orthodox morale, failed. George Metallinou, Dean of Theol. School of Univ. Athens)
- God did not create people to be lords and incipient, ladies and slaves. At the beginning of creation, man was not divided into tribes and nations, nor was competition

between them. These are all fruits and results of human drop, the output from Paradise, the loss of God communion.

(from: Exceeding NATIONALISM AND LOCAL SESSION 1872 FOR phyletism, Metropolitan. Nafpaktou n. IEROTHEOU S. Vlachou)

So what is this sin that is responsible for these ethnoracial discrimination within the dynamics of the fall of this world we live from God which does not come from a creator and God as we read, an event that came to be correct then Christ?

(TO GALATAS III, Chapter 3.28: " There is no longer Jew nor Greek, there is no slave nor free, there is man and woman. You are all one in Christ Jesus ")

To get the answer, we must go back again in Genesis of the Bible, where it says:

B. 3.14 and said, Lord God to serpent; that concocted such, cursed in from everywhere the beasts and all the beasts of on earth; tō on your chest and tñ koiliq porefsñ fagñ earth and all the days of your life .

General. He said 3.14 then the Lord God the serpent •

"because you committed this treachery, you will be cursed Council among all the beasts and all the beasts that are upon the earth. You syresai the soil with chest and belly and gravel will eaten Olas days of your life.

B. 3.15 and enemies thiso you and Per average per medium of the woman and by means of your sperm and by means of its semen; you this honor capita, and in compliance with this heel.

B. 3.15 will not lime put enmity between you and the

woman, between your offspring and its descendants. A descendant of the woman is not alone, he will crush your head and thou shalt bruise His heel of this. "

So we read and Satan's offspring was as yet only Adam and Eve, so we see Satan doing child with Eva (Cain who then killed Abel) to display human descendants: B. 3.13 and said, Lord God tñ women; what Tutu concocted? Then said the woman; the serpent ipatise with, and ate.

General. He said 3.13 then the Lord God to the wife, Evan • "wherefore hast it?" Eva apintisen • "The serpent deceived me, and I did eat."

In the Hebrew text said that " ipatise " means " seduced " (sexually) and the fruit is the fruit of sexual union with Satan is their child Cain, as witnessed by the New Testament to its origin of the Devil (from the evil HN):

A John. 3,12 Cu as Cain from the evil HN and slew his brother; and instance what esfaxen him? that such projects not wickedly, and the brother that law.

The whole thing is completed more clearly in the following religious texts published:

In Hebrew Zohar (I, 286) we read:
"The snake was more crafty than" all animals to Heaven", etc. (Genesis III, 1)" More crafty however, "with respect to bad" than "all animals", ie. the pagans of all the earth. Because they are the descendants of the primordial serpent that seduced Eve " (ie. The devil in

the form of the serpent, called Sammael (see. Targum Iobi, XXVIII, 7) . Rabbi Maimonides writes in "More" (Lib. II , chap. 30) that Sammael (Samael) took the form of a snake and seduced Eve. also called the Angel Death "and the head of the infernal Assembly." the Debbarim Rabba (208c) in-72- named «Sammael, the wicked ", the" prince of all devils. "Rabbi Bechai (in Mikkets) calls him" Whatever wicked Sammael, the Prince of Rome "]

" Cain was the son of Eve with the serpent, or Satan. His brother Abel was the son of Adam and Eve, a creature made of clay that became flesh, while Cain was a creature of spirit made flesh Children of Cain now named " Cainit " and were the ancestors of the Aryans, while the children of Adam 'adamite' 'who were the other tribes. Sothe seeds of Ancient Dragon was Cain, or else the founder of the White Race. As they say the Jews in the Torah, Cain, who was, as we said, the eldest son of Satan and Eve, went to the East with his people after the curse of God to him after the murder of his brother Abel. A long time later, he returned to the land of the Mediterranean and settled here the descendants of Cain ... "

" According to tradition (Genesis, chapter 4, verse 17) Enoch son of Cain and father of Jared, and according to the lineage of Seth (Genesis, chapter 4, verse 18), was seventh from Adam, son of Jared and father of Methuselah.

Lamech, grandson of Noah, when he married his wife had children, tremor seized his soul. The flesh of the child was white as snow and pink as the rose, while his hair was white and they. Lamech, fearing it was not his

child but an angel sent his father Methuselah to Enoch, who already lived with the angels, to consult him. Enoch assured him that it was his child, his recounted falling demonic angels and prophesied that Noah would survive the cataclysm that destroys people and products defiled compounds with the fallen angels of Satan... "

- According to the biblical genealogy "Nephilim," meaning "fallen man" is an essay that concern again human descendants of fratricide Cain, meaning strong and large sized armed warriors like the Kynigos Nemrod And Filistieim (ex Philistines) Goliath who ' managed "the Little David. The O'translate the term as Nephilim Giants because in Greek or pre-Hellenic Pelasgian word "Giant" means the full-bodied giant armed warrior. And the main characteristics and ideals of fallen antediluvian man was rampant violence and rampant filosarkia and polygamy!

"The children of Cain were the first to built cities belted with walls to steal the land of other people and to defend themselves against the mercy of drowning children. These are invented by the masters and established a hellish society despotism and slavery. To devour calmly human smooth that fell below the arrows Nimrod. And since the dawn of the world to this day, the children of Cain still kill the children of Abel. But divine vengeance seeks to turn the killers and their marks on the forehead. »

(Eliphas Levi, The Bible of Liberty, pp. 31-32, Tetraktys Editions)

We understand so what was this sin that led to ethnoracial discrimination and inequality between people, but also the ongoing fascist behavior of the White (in the apocryphal book of Enoch as read) Cain's offspring (son of Satan and Eve) as witness and the above text of Eliphas Levi towards the children of Abel, to arrive then to the conclusion that Satanism without fascism (or outright authoritarian national government) and without racism (tribalism) can not exist, so those called as 'Satanists' and not following these traits are turned directly against Satan!Whoever therefore disagrees with this, and therefore with his obligations to Satan during the dedication of the soul to Him as we recalled at the beginning of this article (" To try to become similar to Satan, so in essence embodies the 'and' 'to respect the Laws of Satan' ") simply has no place in the Satanism and should follow another religion if they will not fought brutally (and by us). It is so simple...

- The SS officer Otto Rahn wrote a book entitled «Luzifer's Hofgesind» [Servants of Luciferian Hegemony]:

"He spoke in front of a large audience on January 9, 1938 in Dietrich-Eckart Haus in Dortmund in Germany. Rahn put a new limit on the spirit associated with the Romans, the belief in a life after death and the fear of hell. He rejected the god Yahweh and Jewish teachings and professed «Luzifer's Hofgesind» in whose name the Kurt Eggers ended the evening with the following greeting: "Your greeting Lucifer."
